

164

VOLVO
*European
delivery plan*

complement

The Volvo 164 is an impressive car. Coolly aristocratic, in timeless good taste both inside and out. Powerful six-cylinder, three-litre 145 h.p. SAE engine, with superb performance and immediate response. Spacious 4-door interior designed for people who accept comfort as a matter of course. The Volvo 164, a new standard of automotive excellence.

Through the Volvo European Delivery Plan you can get a Volvo 164 delivered taxfree at the factory in Gothenburg or in almost any city you want in Western Europe.

For full information see the Volvo European Delivery Plan brochure.
